Linea bagno

Totex, secondo la propria tradizione, produce due tipi di articoli per il bagno: articoli piani e spugna.

Gli articoli piani utilizzano armature quali crepe, nido ape, disegni floreali o geometrici nei più svariati colori.

Gli articoli in spugna vengono prodotti su telaio di altezza pettine che va da 2,60 a 3 metri con jacquard e padiglioni che possono realizzare prodotti con disegni fino a 3 metri di larghezza con tutti i tipi di personalizzazione, nei colori e dimensioni desiderate, come logo personalizzato, etichettatura, ricamo.

Bath linens

Totex, following its tradition, produces two types of articles for the bathroom: plain fabrics and terry cloths.

Plain fabrics are made by cotton in warp and weft and cotton in warp and linen in weft in different bends and drawings like crepe, bee nest, floral or geometrical designs and in all kind of colors and personalizations. Terry cloths are produced on jacquard loom comb 3 metres width and with a single field and pavilions that can make products with up to 3 meters wide, obtaining very large and fine drawings with all kinds of customization in the colours wished, such as resizing, labeling, embroidery.
